A Visit With Dr. John

Brother David Richburg, Pastor of Alberton Baptist Church, went to be with the Lord September 3. He led churches in our area for over 56 years. Let me express my sincere sympathy to his wife, Mary Anne, his larger family, and his church. I felt he was a tremendous asset to Coffee County Baptist Association. I'm thankful for his extension of friendship to me and for his work in the churches.

It is only about a month until time for the Coffee Baptist Association Annual Meeting. This year, the meeting will be at Newbia Baptist church. I believe this will be the first time we have held an annual meeting there. If you have not already done so, please elect the messengers from your church.

The meeting is short, as far as annual meetings go. Dr. Roger Richards will bring the yearly message. There will be special music, some essential business, and reports from the State Board of Missions, Steve, John Gunter, and me. I still say the Annual Meeting is the best place to help your folk understand the importance of being part of the local association.

Now also is the time for the Myers – Mallory State Missions offering. This offering helps support our state WMU team and state Disaster Relief organization, as well as other ministries. I really do believe this offering is a good investment.

The annual WMU prayer walk of schools went well. At least 677 attended. I appreciate each one who took part. Special thanks goes to Peggy Stroud who coordinated the event.

Please enlist your Baptist Men's leader, as well as any other men, to take part in Men's Ministry Training at 7:00 PM on September 13 here at our office.
