 Vineyard Manager

### A Visit With Dr. Granger

Some of our disaster relief workers responded to a call to help victims of the tornadoes that hit close by on April 3. They met at the Association office early on April 4 to go and help our neighbors in either Crenshaw or Pike County.

Some of these guys had just received training only a couple of weeks before through the Alabama Baptist Disaster Relief Organization. It is so good to have people who have prepared themselves and received training to be ready to go.

It also is great that they were willing to take off from their jobs and mobilize at a moment's notice. Mike Dickerson is the committee chair. Randolph Hudson is the "blue hat" leader. Also taking part on this trip were Ray Helms, Jeffrey Wood, and John Logsdon. Thank you, men!

The disaster relief team also has been helping a family with a home that was flooded. No FEMA or other relief money was available for this situation. They have put a lot of work and resources into this job. They likely will conclude their work there by the end of this month. They plan to have a dedication service within a couple of weeks.

Some of you will want to take advantage of the mission trip opportunities coming up. John Gunter will be leading and sponsoring some trips to the Dominican republic and Haiti. Dr. Danny Wiggins will be leading our annual trip to South West Alabama in June. People who are interested in going, need to make the connections quickly.

There are several special events ahead for children. The RA camp out is April 28-29. The GA camp is May 19-20. The state convention's two camps for boys begin on June 26 and June 29. The Associations Children's Camp at the Vineyard is July 17-19. These efforts can enhance your church's work with children. Call for more information.
