**A Visit with Dr. John**

I hope your WMU group is planning to attend the banquet April 21. I believe it will be a very good event and experience. The fellowship and food will be great, and our WMU team has secured Dr. Jenine Bozeman to speak.

The senior adult luncheon will be at the Vineyard on the 26th. Some of our churches have not taken part in this before. Please let this be a time when you begin sharing fellowship and inspiration with this group!

RA (Boys) Campout is the last weekend in April. We had about 175 register last time. I urge the leaders to invest this time with the boys of their church and neighborhood. There are plenty of activities scheduled for the boys.

Likewise, I urge leaders of the girls to bring them to the GA camp May 13-14. They will have fun and spiritual teaching.

Bi-vocational ministers will have their regular monthly meeting April 26. This time is set aside for ministers, who work another job, to be able to talk to the DOM about biblical interpretation and practical matters. We will not be able to have the regular meeting on May 24, and we do not have these meetings in June, July or August, so this will be the last bi-vocational meeting until September.

If any of you are interested in going on our Summer Mission Trip to South West Alabama, you need to sign up soon. The same is true for the trips to the Dominican Republic and Haiti, led by John Gunter, our area Hispanic missionary.

It would be good, too, if you would try to enlist all the kids who will be going to the association summer camps, whether children or youth.

May is Association Missions Emphasis month. May 22 may be the best day of the month to emphasize this at church. Let me encourage pastors to at least use a bit of this worship service to emphasize the importance of local cooperation. Our people need to know the value and purpose of this partnership!
