A Visit With Dr. John

The state convention's Sunday School department has a big day coming up August 13. It is called "One Great Sunday." It will be 15 minute sessions of online training throughout the day. They hope churches will pull workers together to hear segments of training for 15 minutes then talk about them for 15 minutes. A couple of hours of meeting together on that Sunday afternoon could be a great benefit to workers. The pastor or Sunday School Director could lead these discussions.

Also coming up August 29 is Sunday School/Discipleship training, sponsored in partnership with the Association and the State Board of Missions. It will be at Ino Church. We have had good attendance at this meeting for the past several years. Please urge your workers to attend.

The annual Prayerwalk of Schools is "right around the corner!" I'm glad the WMU has led us for about 20 years to do this. This year will be the first time we have scheduled it for Sunday afternoon at 4 o'clock. One Church said they would probably use this event as their Sunday evening service. Since kids in our church go to different schools, we will try to go and pray at several schools, then return to church to talk about the event and to worship. Please try to enlist the folk in your church to take part in the Prayerwalk.

Praising the Lord for the great Children's Camp at the Vineyard this past week! Totals for this year are: 129 Campers, 70 Worker/Volunteers. A total of 199. Salvations 23, rededications 11, called to full time service 6. Over 200 meals served.

A large group of our Southwest Alabama Mission Team. Thanks to all these who served the Lord on this mission trip. Special thanks to Jamie Hudson, Chair of the Missions Development and Danny Wiggins for their leadership. To God be the glory! Great things He has done!
