A Visit With Dr. John

Summer got off to a fast start in our churches with several doing VBS during the first and second weeks after school let out. Others will follow in the next few weeks. It usually takes a lot of planning and work for a church to do VBS. It is worthwhile, though, because so many people trust Christ as Savior and grow closer to Him during this event.

When you read this column, the Coffee Baptist Association Mission team to South-West Alabama will be in the Mobile area doing VBS and other mission/ministry services. Dr. Danny Wiggins has lead this group for many years. My thanks to him and all who take part!

The Vineyard camps are underway. All our workers there will be busy. As of last week, there were only two days between then and early mid August that were not booked.

Our CCBA Children's Committee, chaired by Lester Rachel, has worked long and hard on this year's Children's Camp. Let me urge you to enlist the children in your church to take part. Also, the State Convention's Adventure Camps for boys should be a very good experience. Both these camps will have lots of activities, as well as studies about Christ and the Christian life.

I congratulate our Moderator, Bro. Nathan Sims and his wife Catherine, upon the completion of the adoption process for their children! May God bless your happy family!

Lee Street Baptist Church will host a Daytime Bible Study beginning June 23. The title of the study is "More Than Enough": How Jesus meets our needs. For more info. contact John Miller at 334-464-1217.
