A Visit with Dr. John

I just got back to the office from helping with the funeral of a dear friend. This person was an outspoken Christian, and I am confident, is now with the Lord. My life has been better knowing this person cared for me and would come to my aid, if need be. The grief is real for me and others in this person's circle of friends and family.

Hardly ever do I go to a funeral, without realizing that I spend too little time reaching back to people who extend friendship. ...Too little time enjoying their fellowship. ...Too little time thanking them for the way they bless my life.

People bless our lives all the time: Teachers, Parents, Doctors, Nurses, Pastors, Firemen, Policemen.....

This will be the 26th year we have tried to say how we appreciate one group who serve us. The Heroes Banquet will be at Open Door Church on March 22, 6:30 PM.

If you know someone who works in Law-Enforcement, Fire Fighting, EMT, or other First Responders, please make sure they know about this banquet for them. We go to great lengths to make sure the entire event is centered around them and what they do for us.

Be sure they know there will be no charge to them, as this is a gift to these Heroes from Coffee Baptist Association.
