**March 23, 2017**

*A Visit With Dr. Granger*

As I write this, I am thinking about the Heroes Banquet which will take place tomorrow night. Of course, by the time you receive this, it will be in the past. Either way, it is a good emphasis. This is the 25th annual observance, seeking to express honor and appreciation for these men and women who serve us in so many ways.

I'm thinking too, about our Disaster Relief Committee and others who work to relieve people in disastrous happenings. Our committee, along with the Vineyard, are partnering with the State Board of Missions to provide basic training, as well as cleanup/ recovery, and chainsaw handling this Saturday. I'm thankful for Mike Dickerson, the rest of the committee, and these loving, dedicated folk who train so they will be ready to help. Actually, some of these folk have been engaged in disaster recovery ever since the flood over a year ago.

Some of you will want to be involved in the Will Graham Celebration to be held in Dothan at the Civic Center May 5-7. Other training sessions, youth events and children's sessions will cluster around the days preceding Will's time here. Bro. Leon Adams has been a key contact in our county.

We will be saying more about this as the day approaches, but on April 27, 10 AM, Todd Rinehart will lead the Ministers' Conference Program, at the Association office, in a brief overview regarding church security. This has been planned since last August, but is of more interest now because of some security issues that have arisen locally. We will discuss what steps need to be taken if there is an active shooter situation. Being prepared is a crucial factor in the outcome of these horrible problems. You can bring interested men in your church to this training. Some of them can take the lead. If you want someone to come to your church and help you with the specifics of your church building, programs and people, you can talk with Todd about that.
