A Visit with Dr. John.....

Today, Campers On Mission are working on Snead Lodge and The Lake Lodge. They will be at the Vineyard for a while. I so appreciate these men and women and their efforts in our behalf. We know that they are serving "as unto the Lord," believing that God will use the facilities there.

Also today, I am anticipating the Heroes' Banquet tomorrow night. Over 100 people have made reservations. This annual dinner is a good way for us to recognize and appreciate these men and women who serve in law-enforcement, firefighting, and first response. I sincerely am thankful for what they do.

Samford University Extension begins its next eight week term March 23. Dr. Danny Wiggins will teach a course called "Paul's Letters." Call Dr. James Preachers 489-4101 to learn more.

The WMU banquet is April 16 at Ino. Please help your women's group to get signed up.

The RA campout is April 24 - 25. This is a good time for the men of the church to make an impact in the lives of boys in the church and community.

The Senior Adult Luncheon will be April 28 at Lee Street. If your senior group has not been taking part, let me encourage you to at least try it out. I believe you will enjoy getting together with others from around the county.

Vacation Bible school will be on your mind soon, if not already. The association clinic is May 5 at Hillcrest. Please make sure your workers are enlisted and have them at the training. I believe this training can help your workers to do their best.

She has not started yet, but Dawn Maggard will begin work in the Association Office. I appreciate the Personnel Committee's work finding help here. They had a difficult job selecting one from about a dozen excellent applicants. I am also grateful for the people who had interest in working here. I believe Dawn will be a real asset to the association's work.

Elizabeth Mitchell has worked for the Association several years. She has been very faithful and has done good work. I am thankful for her as a coworker and as a friend. I consider her more like a family member than an employee. Be sure to express your appreciation to her when you see her.

Blessings upon your church's work in this exciting time of the church year and in this opportune time for gospel advance!

He lives, He lives, Christ Jesus lives today. He walks with me and talks with me along life's narrow way. He lives, He lives! Salvation to impart. You ask me how I know He lives? He LIVES WITHIN MY HEART! Have a BLESSED EASTER!
