A Visit with Dr. John

The Southwest Alabama mission trip is June 21-28. I believe this will be the fourteenth year we will have made this trip.

(1) We keep going there because there is such a need, (2) we have such success in teaching and reaching people for Christ, and (3) our "missionaries" like it. The critiques of the trip and the way participants talk about it tend to be glowing testimonials.

We will work in country settings with churches and in an inner city setting. There are many opportunities to share the gospel and do ministry related projects.

Normally, about two-thirds of the group will be teenagers. If you are a teen or an adult who wants to venture out just a little bit in a missions endeavor, this if for you!

If you have interest in being a part of this missions team, please contact Dr. Danny Wiggins at 347-6082 immediately! There will be a couple of training/planning sessions coming up soon.

Should you have questions, call Bro. Danny or me. We will be happy to talk to you about the trip.

Some churches include the core of their Youth groups. Usually, we can incorporate a group or an individual. It is a much better emphasis than a trip to the beach or to six flags.

Remember! You need to call now. It is important for you to call at least to inquire, if you think you might go.

We can use your help. You can make a difference. You will be needed.

I'm thankful to be your partner in missions!

****

As you prepare for your Vacation Bible School, please enlist as many people as you can to help. The positive impact teaching has on boys, girls, and adults can never be fully measured. VBS is a great time to reach outside the walls of our churches and bring people to a saving knowledge of Jesus Christ and let some who may never attend church know we want them to join us in worship and ministry.

Remember to call in your VBS dates and time to our office. We will help get the word out!
