**A Visit With Dr. John.....**

I'm hearing good reports from some of our churches about the revival meetings they are having. It is so good to hear of people coming to know Christ as Savior and Lord! May He bless all our churches with inner peace and unity! May He bless all the churches with good growth and productivity in His Kingdom work!

Open Door Baptist Church, with their pastor, Bro. John McCrummen, invite all pastors, staff and their spouses to an appreciation banquet October 9 at 6 p.m. This is a gracious gesture. They will be blessed by blessing us. Let's be there to enjoy great food and fellowship!

The Chaplains at Fort Rucker also are sponsoring a Pastors' Appreciation event from 9 a.m. until 12 noon that same day. We should be thankful that these folk want to reach out to us and partner with us.

Speaking of appreciating your pastor, October is Pastor Appreciation Month. Do something to help your pastor know he is loved and valuable to you. Not many churches go overboard in this matter.

World Hunger Day is the 12th. In our land of plenty, it is a small thing to set aside one day for an offering for the many people of the globe who suffer hunger. One good reminder is that none of this offering is used for administration costs. One hundred percent of it goes to help feed people in great need.

This month also is Cooperative Program Month. Since 1925, Southern Baptists have used this method of collecting money and distributing it to the many causes we believe are worthy of support. The mission boards get the lion's share of the resources, but neither the missionaries, the school presidents, or others have to spend their time making presentations for offerings. Our people need to be reminded of this valuable vehicle for supporting Kingdom causes.

The City is sponsoring Enterprise Celebration of Music October 12th. Some of our churches are dismissing church that evening so their people can attend. Some make up the big choir. I do not try to tell any of our churches what to do, but I will say it is good to have the city leaders wanting to sponsor a spiritual emphasis!

Finally, our Annual meeting is October 21 at Basin Church. This has been a good year for Coffee Baptist Association. Please urge some of your young adults to attend. They will be even better workers when they know more of what we do together.

May our Lord richly bless you!
