A Visit With Dr. John

We are in the aftermath of Hurricane Harvey and anticipating category five Irma. As I write this, I'm still praying that it will turn strongly northward and go out into the Atlantic.

Our association Disaster Relief Committee has met and determined how we, as an association, can best aid the people of Texas and possibly Florida. First of all, we need to remember that prayer is a mighty force. Let us be faithful to pray for all people affected by these storms. Pray for volunteers.

Second, The committee urges people to give to their churches, then forward it through the association to Alabama Baptist Disaster Relief. It would be great if people would give to the church, so their offerings could be counted there, then forwarded by a check from the church.

This week, our Disaster Relief team, Coffee Baptist Men, along with other volunteers have been collecting nonperishable food, diapers, cleaning supplies to be sent to the impacted area.

As it stands right now, our trained disaster relief workers are scheduled to relieve those from Columbia Association in Texas in about a week and a half. Mike Dickerson, our DR leader, also wanted our folk to know that they could give gift cards from Walmart, Lowe's, Home Depot, etc. to be given out by our people while they are in place serving.

I am so thankful for the loving, giving spirit exemplified by so many people right here in Coffee County. I am blessed to be able to serve alongside you!

Please remember the Myers/Mallory offering will fund Alabama Baptist Disaster Relief.
