A Note from Dr. John

Our state convention, along with the North American Mission Board and local associations are pushing an exciting evangelism strategy this year. They call it GPS—God's Plan for Sharing.

Sammy Gilbreath talked about it at our annual meeting. Phil Winningham lead a conference here for all our churches last November 10. This was to inform, train, and inspire us to saturate our county with the gospel and invitations to church this Easter.

Some of our churches-pastors and key leaders- have not been able to become involved in this project. There is time. A state evangelism worker will give a brief overview Wednesday, February 10, 6 p.m. at First Baptist Enterprise.

If your church is not plugged in, perhaps you or a few leaders you designate could be at this meeting. I would like for all 50 of our churches and missions to take part.

I do believe this is a good way to encourage your members and to add people to your membership. Most importantly, we can reach people for Christ.

Fire at Life Community

The New Year's Eve fire in downtown Enterprise left one man dead, damaged several businesses, and destroyed Lanny's gym and Life Community Mission, of which Lanny was pastor. Lanny and Shelia also had living quarters in the gym building.

Please pray for all. Losing a family member or personal possessions is so traumatic.

Some will want to give to help with the mission and with Lanny and Shelia. Coffee Baptist Association will receive and channel these gifts throughout the month of January.

Designate your gifts for Lanny's personal use or for the mission. Make checks payable to Coffee Baptist Association.
