Greetings from the Grapevine,

“O give thanks unto the LORD; call upon his name: make known his deeds among the people.” Psalm 105:1

It has been a great year! So much has been accomplished. As most of you know, we dedicated the new Snead Conference Lodge on May 31st and opened its doors for use. Well, though that was the big project for this year, it wasn't the only project. We also put a new roof on the Lake Lodge, and added a lean-to addition to the barn – just to name a few. Add to these jobs the usual cooking, cleaning, weed-eating/mowing, and maintaining –one could say it has been a busy year, great, but very busy. Needless to say, all this busyness did not get accomplished by vineyard staff alone. We have had many volunteers come throughout the year to assist in projects here at your Vineyard. Most of these folks came repeatedly on numerous occasions to help out. There have been many folks who have made monetary donations, and yet others who donated useful items. There have even been people who have allowed us to borrow things we were temporarily in need of. Needless to say, we owe many thanks to multiple groups and individuals for all that has been accomplished this year.

In an attempt to say thank you, we are having a Vineyard Appreciation Supper at the CCBA Office on November 12th at 6:30 p.m. If you are one of our many helpers, please plan to attend. And please pass the word on to others who should attend. We really want the opportunity to say thanks. Please call the CCBA Office (894-6411) and let us know if you can attend.

I would also like all who don't know that we have hired a new assistant manager. Her name is Marysa Cliborn. She comes to us from being the assistant manager at a Christian camp in south Texas. Her husband, Steven, is stationed with the Coast Guard in Eufaula. He has a bit of a commute each day, but she walks to work. If you do not know them, let me encourage you to get to meet them. They are very friendly and are easy to get to know.

Thank you to all the folks who have given, prayed, and worked to make it all happen.

With much gratitude,

Steve

P.S. If anyone is upgrading refrigerators and would like to donate your old one, please let me know. We are currently in need of one.
