**A Visit with Dr. John**

As you read this, we have people, representing our association, on a summer mission trip. Please pray for them during this week. Ask the Lord to give them safety, a good experience, and productive work.

Let me remind you of some valuable men's ministry training at our office July 12, 7:00 PM. You'll have to look a long time to find anybody more dedicated to men's ministry work than our association leader. Please encourage your brotherhood president and other concerned men to take part.

Senior adults will meet July 24 for their quarterly luncheon. You can expect good food, a good program, and the privilege of connecting with friends you don't see often. I love the fact that we can fellowship with people from all the churches that participate. I'm thankful for Elaine Norris, Sara Stokes, and Cecelia Henderson for leading.

The widows will meet this month at Southern Broadway. On August 6, the Widows' Ministry meeting will resume it's regular rotation and meet at Coffee County Baptist Association office, 6:30 PM. What an innovative ministry Melonee and other caring people perform!

You need to be getting ready for prayer walk in your churches. The WMU has set the kick off for prayer walk August 13. The prayer walk of schools will be August 26, 4:00 PM. We have had outstanding participation for several years. May it be even better this year! You know we need to be praying for our children and for those who teach and work in our schools.

It looks like the children's camp, Incredicamp, will be another stellar event. Of course it has to do with how good God is to us, but it also has to do with the committee that meets year-round to prepare. I'm thankful for Bro. Lester Rachel in this committee, as well as the many volunteers who will help!
