### A Visit with Dr. John

The retirement reception for Kaye was a very nice event. I appreciate the Personnel Committee for initiating it. I'm Thankful to the WMU council for pulling it together.

Angela Hughes was very instrumental in this, but could not be at the meeting because of surgery. Peggy Stroud did lots of things including flowers and tables. Liz sipper made some beautiful flower arrangements. Pat Hudson greeted people and helped folk sign in. Linda Andress, Sylvia Hughes, and Sheila Danford. helped serve. Emily Boykin helped in all kind of ways. Brad Boykin did a PowerPoint presentation of some of the things Kaye has done over the years.

Bryan Simoneaux presented Kaye with a remembrance of appreciation. Kay Roper presented a monetary gift from the association. Thanks to everyone who contributed to the event and who came out for Kaye!

Brad Boykin led the RA Campout. He did a very good job. Emily did a lot to help. Sean Roehler was very involved. Thanks to these and other RA leaders!

The Week of Prayer for Association Missions is May 20-27. Please let me offer you a few things for which you might pray for your Association.

First of all, give thanks for it. This voluntary connection blesses all the churches in ways most do not understand. We are stronger together. We can do more and better things, like training, evangelism, missions. We can provide help for churches in difficult times or while seeking pastoral leadership. The fellowship and partnership builds appreciation and friendship.

Next, pray for the programs of work: The work in our office, that of the Vineyard, that of our missions, that of the various committees-from the finance committee to the children's work and missions endeavors. There are 36 committees to deal with all sorts of things that will help our churches and the larger Great Commission Ministries.

Finally pray for the people of our association. Ask the Lord's blessings upon the leaders and members of our churches. Implore the Lord to give wisdom and courage to the committee leaders and members. Ask his special blessings for Steve and all who help him at the Vineyard. Please go to the Throne of Grace for me and the ladies who work with me in your association office.

Please make these concerns known to your church members during the week of prayer. I surely would like it if you would make praying for me and these basic concerns a daily habit.

### Thank You

*Thank you to the people of Coffee Baptist Association, the Personnel Committee, the WMU Council, and those who had a part in my Retirement Reception. It was great! I was humbled by the response, the monetary gift and the plaque.*

*I have been blessed throughout my years with the association to meet many good, loving people. I have walked alongside them as we have worked to accomplish many things, most of which could not have been achieved without YOU.*

*It has been a real privilege working with Dr. Granger. He has been a great mentor to me. I really appreciate him.*

*Michele, Steve and other office and Vineyard Staff have been a blessing.*

*I look forward to seeing you at the association meetings and maybe around town.*

*God bless you all and thank you again for allowing me to represent you in your association office and as Public Relations Coordinator. Kaye*
