### A Visit With Dr. John

The Executive Committee of Coffee Baptist Association meets every other month. This committee takes care of business for the Association during the year.

It is composed of the pastor of each church and a church elected lay member from each church. Some of our churches have not elected a representative other than their pastor. Let me urge you to do that so you will have representation on this very important committee.

I would like to offer my personal thanks to those who faithfully serve on the Executive Committee. They have helped us to make great advances in the work of Coffee Baptist Association/the Lord's work over the years.

The Pastoral Ministries Committee provided Deacon training January 25. Dr. Mark Rathel, from the Baptist College of Florida, led the study. Brother Bryan Simoneaux and the committee did a good job pulling this together. I'm thankful for each Deacon who came, trying to make his service better and more productive.

We all can be proud of the Widows' Ministry in our Association. This effort, generated through our WMU, and led by Melonee Blair, is a blessing to a lot of people. "Maggie" helped a large group of widows enjoy themselves as they met for a banquet in our conference room February 4.

Some of you will receive this newsletter on February 13. At noon that day, we will host the Inter-Baptist Luncheon, a gathering of church leaders from different races, ethnic groups, and cultures. This is a celebration of our diversity and a way to intentionally reach out to others.

Let me remind the pastors and church staff that Otis Corbett, DOM in the Covington Association, will be leading a study called the Theology of Evangelism at the Ministers Meeting February 28, 10:00 AM. I hope you can make it.
