A Visit With Dr. John

My brother, Lorrin, passed away February 14th. His funeral was on the 17th. I want to thank people from throughout the county for the many kind expressions of sympathy. Your calls, visits, flowers, cards, food, and presence meant more to me than I can say.

Lorrin played the primary part in raising me during all my teen years. I owe so much to him. Much of who I am in life is because of his influence.

This is a very difficult loss for me. Please continue to pray for God's strength and comfort for me and our larger family.

Disaster Relief training is coming up March 8-9. Please promote this in your church. We need lots of people to be trained.

There will be another Minister/Spouse Date Night April 25. Pastors, please take note.

The summer mission trip to Southwest Alabama is June 23-28. We already need to be aware of the numbers who are going from your church. Please encourage any who may have interest to take part. It normally is a great trip. Please call the office with numbers and names from your church.
