**A Visit With Dr. John**

I am blessed to have been able to spend one more year with the many fine people of Coffee Baptist Association. So many good things happened through our association this year. I thank God who made all of these possible. I thank everyone who participated, who worked, who gave, and who prayed.

2020 is full of good opportunities and exciting things, as well. The missions emphasis coming up in March is one of those things that does not happen every year. This kind of event can make a big difference in the missions/outreach mindset of a church body. It truly is worthwhile to talk it up and to celebrate what already is happening. You may be surprised how seeing what others are doing can ignite a spark in the hearts of the people of your congregation!

We try to keep an active list of people who serve as chaplains in various types of work and organizations. If you know someone who is serving as a chaplain in a fire department, at Pilgrim's Pride, or any other place, please let us know that person's name and phone number or have them to call us. We try to do an annual thank you/recognition and provide training. We want them to be on our list of contacts.

Another thing the Pastoral Ministries Committee is doing this year is providing a marriage enrichment retreat. Brother Jim Duhaime will be leading. We all know this is a very needed event. Please help get the word out about it. The committee has talked about doing it for several years. I'm thankful that they pulled this together. I'm positive it will be a blessing. There will have to be a cut off number. So make sure, if you want to be a part of it, you register quickly. All you have to do is to call our office to reserve a spot.

I pray God's best for you in this new year!
