A Visit With Dr. John

Here we are in the “lazy days of summer vacation.” Of course, the phrase doesn’t fit Coffee Baptist Association’s schedule very well. Just ask Steve or any of the workers at the Vineyard. Summer camp season was on the week school was out. Ask some of the people who volunteer there throughout the year. Ask the volunteers on the monthly workday or those who meet on the Vineyard Committee. Or perhaps you could ask Lester Rachel, the members of the Children’s Committee, or the four dozen adults who will help them with the children’s camp July 8-10. They put in so much work to plan the event and then top it off with camp days full of activities!

Our mission church, Faith Community, has activities on the weekdays and Sundays. It takes some dedicated volunteers to make that happen. Our WMU groups still do snacks for Wednesdays and Sundays.

The singles group, sponsored by the Association, will have met before you get this newsletter. The widows will meet June 17. Think about how much the volunteers who sponsor this put into these meetings! The men’s groups will have their regular meetings. The pastors and ministers will meet. The Executive Committee will meet July 9 to take care of Association business. Some of our administrative committees have been and will continue to meet throughout the summer. The Stewardship/Finance Committee has been working to bring our budget to where it should be. The Nominating Committee and Committee on Committees are meeting to name people who will help with the various programs of work for the upcoming year. The Long-Range Planning Committee seeks to lead us to prioritize certain things for the next few years.

The Association sponsored mission trips still take lots of preparation. The overseas trips through the ministry of John Gunter require a lot from him and others who help him. The trip to South West Alabama requires planning from people right here in Coffee County. And, of course, going to the Mobile area and ministering for several days, is not exactly my idea of a lazy summer.

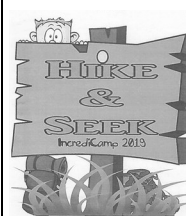

I do hope you have a good summer. I pray you will be able to enjoy some time without feeling the pressure you normally do. But I am grateful there are so many involved in ministry and service in the Lord’s work.
