A Visit with Dr. John

I anticipate a good “turnout” for the annual WMU Banquet. Candace McIntosh, State WMU Leader will be our guest. Candace will inspire our ladies about missions support and involvement!

Deacons and their families are invited to a gathering and meal in their honor April 5 at the Vineyard. There will be “free time” to enjoy the place and people. Then, we will eat and have a brief presentation of appreciation.

It already is time to prepare for VBS. Our association team will provide training for all workers April 15 at Hillcrest. Having all your workers there will help them become a church team. You know you can expect a better VBS if the workers are prepared.

The Boys Campout (RA) is April 25-26. Men can be a part of this already as the leaders prepare. Please urge men and boys to take part in this “adventure!”

On April 29th, we will have the “Big Meeting” for all who want to go on the S/W Al mission trip. So, it’s time to sign up!

It’s quite a while yet til we have the Children’s Camp. (July 7-9) I feel I need to make our churches aware that we may have to turn some away because we expect to exceed capacity. Since Jeff Slaughter will be guest musician at the camp, we are receiving applications form distant places. Applications are accepted on a “first come, first served” basis. Therefore, if you want your children to be involved in this great camp experience, please enlist them now and get them signed up!

This may be something of a problem, but if you have to have problems, having too many people who want to be involved is the best kind of problem. You can help this not to be a problem at all by signing up campers now! Thanks!
