A Visit With Dr. John

The Heroes' Banquet is an annual tradition for us. It is an effort to recognize and thank the men and women who work in Law-Enforcement, Firefighting, and First Response. Last Thursday was the 27th year. The culture has changed somewhat since we started. After the 9/11 event, people generally offer more thanks and respect to these men and women than they did before that tragedy. These folk deserve our respect and our thanks.

These public servants are brave and dedicated people. Many of them have extensive training. Together, they help our communities every day! Let me offer special thanks to Bro. Greg Cotter and Bethany Baptist Church for hosting this event. "Good to Go" supplied the entrée, but Mrs. Peggy Stroud and a large group of volunteers did everything else. The meal was great and the place was beautiful. Thanks to 'Blest' for the music, to Bro. Randy Walker, Moderator and to Bro. John Logsdon, Men's Ministries Director, for helping with the program.

I will begin an eight week course for Samford University Extension at our office dealing with New Testament theology. If you have interest please give our office a call.
