Dear Friends,

The Vineyard has been a very busy place lately. In addition to regular groups coming, we have been doing many needed repairs and improvements. We had a couple from New York come and help us lay tile in the Conference Center. It is such an improvement over the old tile. Thanks to Mr. Randolph Hudson for his participation in that project. The Alabama Campers On Mission were here for a couple of weeks completing many repairs and renovations on the Lake Lodge. The place is certainly a lot better and nicer now than before. We even had one camper couple, the Godwins, come a couple of months early to help with the tile job and many other projects as well. Thanks to Mr. Charles Hendricks for "raising the dead" by getting a construction truck running that we had been told was beyond hope. County Line Baptist Church has been here recently helping with several projects. John Logsdon has planned yet another successful RA Campout. Thanks to Kyle Kennington and his friends for running the campout and for Mark Ward and Fred Fowler leading the worship services. We have even had the local Boy's Scout Troop 77 here doing a project – we now have a new kickball field. Of course, our usual workday force has been involved taking care of several things around The Vineyard as well. And, Joey McCullough and his class have been taking great care of our AC units for us. As you can see, the list of helpful folks is really long and many thanks are due for all their diligence and hard work.

On April 26th, we had a rocking good time with the senior adults. Thanks to all the ladies who refrained themselves during Elvis' live performance. We had 161 senior adults and, no, we didn't have to call the law for crowd control! Elvis and the crowd were very well behaved.

So now we are gearing up for summer camps. If you haven't yet registered for the youth or children's camp, let me encourage you to do so soon while there is still space available. We expect registrations to increase as we near the end of the school year, so please don't wait too long.

The Lord continues to bless the Vineyard with spiritual fruit as well. We know of thirty-one guests who have accepted the Lord as Savior this year and another eighty-six who have rededicated their lives to the Lord. We praise Him for what He is doing here.
