A Visit With Dr. John

Tonight, November 7, our office will sponsor the annual Vineyard Volunteer Appreciation Supper. It is a small way to say thank you to people who have made such a difference in the Vineyard ministry. They have helped with routine matters. They have repaired things that were broken. They have ministered to camps and retreats of adults and children.

Just providing a meal and voicing thanks seems to be so small over against all the work and effort. At least it is something.

I appreciate Steve, Brad, and all the part-time workers. It would be hard to imagine the Vineyard having the success it has without the many volunteers. About 80 people have registered for the program tonight. That is a lot of people, but it only represents a small portion of the people who have helped in some way or other. My thanks to all who have helped!

The Boys Camp-out on November 1st and 2nd was something the average boy would enjoy. I'm thankful for Brad Boykin and the many people who helped him provide this special occasion for boys. I was there for a little bit of the fun and for the campfire message. Good to see four boys trust Christ as their personal Savior.

Bro. Dennis Singletary did an excellent job at the January Bible study preview for pastors. He helped our ministers understand the book of Jeremiah. I heard a couple of our pastors say they wanted to have him to preach in their churches. The Ministers' Meetings generally are good. They are planned to teach or remind us of important things in ministry and in Christian leadership. It's great when some are extra special.
