A Visit With Dr. John

The big event before the association is the annual meeting October 19, 6 - 8 p.m., at the Civic Center. I believe your church members will receive a blessing from being at this meeting. The community choir, led by Jamie Baker, will be inspirational. You can always count on Sammy Gilbreath to bring the gospel message with an impact. A few brief reports of things that took place this year will help people to have more appreciation for our combined work.

I urge you to get your church to have service there that night. Of course, it is a church night. This will be a tremendous worship service. It is the only time I know of when the association has had an annual meeting on a Wednesday night. Your people will be able to learn a lot about what the association does.

The second eight week term for Sanford extension begins November 24th. The study will be Biblical Foundations.

Any offerings for John Gunter's 10th anniversary will need to be in this month.

The appreciation supper for Vineyard workers and volunteers will be November 1 at the Association office. This is something I have tried to do for a long time to express thanks to the many people who give of their time and efforts to make the Vineyard so successful.

The boys connected to your church can have a good time at the RA Campout November 4 and 5. John Logsdon and a lot of other helpers will make sure they have lots of fun things to do. There will be a good spiritual emphasis, drawing these boys to the Lord.

Melonee Blair and the WMU Council sponsor the World Day of Prayer November 7. This will be at First Baptist Enterprise. It would be great if men came to this, but make sure your women's group participate.

Brother John McCrummen and Open Door Baptist Church will sponsor the Pastor/Spouse/Staff Banquet November 10. Bill King, and his alter ego, Billy Bob Bohannon, will bring us up-to-date on his activities.

We look forward to sharing with the many people who will participate in the OCC shoe box collection. Thanks again to Debra Carnley and our WMU who spearhead this work.

May God richly bless you!
Hoping to see you at the annual meeting!

Please remember to pray for the people in the wake of Hurricane Matthew.
